

Urology Associates of Lebanon, PA, PC Medication Refill Policy

Effective October 15, 2010, Urology Associates of Lebanon, PA, PC requires a 48 hour notice on all prescription refills. This means all patients need to be aware of this, and contact us prior to taking the last dose to ensure your doses are not interrupted. Most medications will be able to be processed electronically, including most mail order plans. Please be sure your pharmacy information is up to date. Written prescriptions can be provided upon request.
